About ACACIA Fraternity:

ACACIA is a Greek Social Fraternity. It has the distinction of being the only National Fraternity to choose an entire Greek word as its name rather than Greek letters. Acacians strive to achieve excellence and balance in college and throughout their lifetimes. **ACACIA Fraternity** was founded by Masons in 1904 at the University of Michigan, and today is an international fraternity with chapters in Canada and across the United States.

It is our belief that leadership skills are one of the keys to success in life, and this knowledge cannot be gained solely in the classroom. **ACACIA Fraternity** provides its members with the opportunity to gain leadership knowledge and ability. Whether you manage yearly operating funds or coordinate chapter activities, you will gain skills in management, leadership and service to others, skills that all Acacians seek to achieve and demonstrate.

The reason for attending college is to obtain an education, and at **ACACIA Fraternity**, this is a primary goal we will always support. Each local chapter and/or alumni board maintains comprehensive scholarship and education programs to aid members in their studies. Members are also encouraged to actively participate in campus activities and organizations, to further broaden their educational experience and enhance their leadership skills.
